Today," said the University professor, "I will be lecturing about the kidneys, intestines, pancreas, and the liver."

One med student leaned toward his friend sitting next to him, "Great, we have to sit through another organ recital."

On the way to preschool, a doctor had left her stethoscope on the car seat, and her little girl picked it up and began playing with it.

Be still, my heart, thought the doctor, my daughter wants to follow in my footsteps and be a doctor!

Then the child spoke into the instrument: "Welcome to McDonald's. May I take your order?"

Sure worry works: 98% of the things I worry about don't happen.

Lost on a rainy night, a nun stumbles across a monastery and requests shelter there.

Fortunately, she's just in time for dinner and is treated to the best fish and chips she has ever tasted.

After dinner, she goes into the kitchen to thank the chefs. She is met by two of the Brothers.

The first one says, "Hello, I am Brother Michael, and this is Brother Charles."

"I'm very pleased to meet you," replies the nun. "I just wanted to thank you for a wonderful dinner. The fish and chips were the best I've ever had. Out of curiosity, who cooked what?"

Brother Charles replies, "Well, I'm the fish friar."

She turns to the other Brother and says "then you must be...?"

"Yes, I'm afraid I'm the chip monk."

Reflection... by Kent

"[You] delight to show mercy"

Micah 7:18

Mercy, as with Laughter, is a gift from God. Much needed and freely available to us on a daily basis, mercy too is good medicine for a broken spirit that saps a person's strength. May you enjoy the prayer below as you engage with the Spirit of God through it.

A Prayer for Mercy – Lori Freeland

"Answer me when I call to you, my righteous God. Give me relief from my distress; have mercy on me and hear my prayer." Lord, like David in Psalm 4, we cry out to you as our authority and the author of true mercy. Thank You for being a God of compassion and love. Life is hard enough without Amen.]
