

Ladies' Group

April Get-Together

WHEN:

Saturday 29th April 2023
9.15am for a 9.30am start

WHERE:

Drury Presbyterian Church Hall,
38 Norrie Road, Drury

Guest Speaker

MARIE GORDON

of Summerfields Farm and 'A Gift' Charitable Trust

Come along and be inspired by our guest speaker, Karaka local Marie Gordon, who, through her charity run from her beautiful rural property, is helping South Auckland Youth.

'A Gift': Our love of Jesus Christ and the understanding of His healing grace are the foundations of the *A Gift* programme. The farm's environment and pet animals are a powerful tool for relieving stress, anger and depression, helping young people through difficult periods of their lives. The farm has also proved to be an effective intervention for high risk students experiencing suicidal ideation or other risk taking behaviours.

'Reins': *Reins* is a human development program that teaches life skills through horsemanship of either Harness Driving or Horse Riding. 'Reins' was created as an earlier intervention for youth exhibiting difficult behavior or youth needing to build up their confidence and self worth. Families needing to improve their relationships would also benefit from this programme.

Morning tea is provided, and feel free to bring a friend.

Please RSVP to
