**HEATHER
M^cCALL**

Enjoy catching up with old and new friends over a relaxed Morning Tea then listen to **Heather McCall** speak about **Hospitality**:

Originally from the South Island, Heather moved to north of Auckland in 1988. Being a farmer's wife taught her a lot about cooking, baking and hospitality, while working as a florist added to her creativity.

Heather has written two beautiful books on the subject, combining her faith in Christ and her love for hospitality that will inspire and encourage your own hospitality.
